Dear Mr Okpala,

RE: Stage 1 Complaint

Thank you for your email detailing your concerns regarding the service received from Thurrock Councils Adult Social Care Team. I am sorry to learn of its contents.

Please be assured that we take all complaints seriously and a full investigation will be carried out into the matter you have raised. I have assessed your complaint and have outlined the specific points you require the council to address below. If this is incorrect please let me know.

- You want to leave AK Supported housing, and for the house to give you your money to manage yourself.
- You want documents that contain passport, files, and folder to be given to you as you want to buy a house of your own.
- Incident in kitchen and argument with staff member
- You are evicting yourself from the house. You are not willing to discuss the matter further and do not want your mother involved.

An investigation will now take place into these points and we aim to provide a response to you in 10 working days. The Complaints Team will monitor the progress of your complaint.

It would also assist the council if you could clearly outline the outcome you are seeking as part of your complaint (e.g. change of process or an apology). Can you please confirm this back to me as soon as possible so this can be considered whilst your complaint is being looked into.

If you require assistance to take forward your complaint, you can appoint a representative to deal with your complaint on your behalf. This individual can accompany you at any meeting with the council if a meeting is required to consider your complaint. If you are considering nominating an individual to represent you, then please pass on the contact details to the council. However if you require assistance with your complaint, but don't have anyone to help you, please let us know and we will be happy to share the details of some independent agencies who you may wish to approach for further assistance.

Yours Sincerely
